Re: Freedom of Information Act Request

Dear FOIA Administrator:

This is a Freedom of Information Act Request pursuant to 5 U.S.C. § 552.

I request access to certain boxes in the custody of the Environmental Protection Agency that are currently housed at the Seattle Federal Records Center ("FRC") located at 6125 Sand Point Way NE in Seattle, Washington. Please see Attachment 1 for a list of the record accessions and boxes that I request to review. When made available, I will make arrangements to review the materials in the research room at the adjacent National Archives facility.

If you determine that I cannot review these records myself, then I ask that you provide copies of the identified folders of interest. To the extent any of the records responsive to this request are stored in electronic format, please also provide a copy of the records in their native electronic format on CD-ROM or other media that will enable us to load the records onto a computer. When providing electronic records, please include metadata.

Please supply the requested records without informing me of the cost if the fees do not exceed \$1,000.00, which I agree to pay as necessary. Otherwise, I ask that you notify me of any search or duplication costs exceeding \$3,500-\$4000, so that I may decide which records I want copied.

If you are not the appropriate contact for this FOIA request, please let me know so that I may direct this request to the appropriate contact. If you deny any part of this request, please cite each specific reason that you believe justifies your refusal to release the information with respect to each document or category of documents refused. Please also notify me of any appeal procedures available under the law.

If you have any questions about this request, please contact me at laura.solancho@thomsonreuters.com. Thank you for your time and attention to this matter.

Very truly yours,

/s/ Laura Solancho
